

## **Documentation Styles for the Sciences**

### **ACS Style**

ACS (American Chemical Society) style is often used for research papers in the sciences. The 3rd edition (2006) of **ACS Style Guide: A Manual for Authors and Editors** is at R **808.06654 A187c3** in the library's reference collection.

Below are some links to web sites with examples of ACS style.

[American Chemical Society \(ACS\) Citation Style for Internet Sources](#)

### **CSE (formerly CBE) Style**

CSE (Council of Science Editors) style was formerly known as CBE (Council of Biology Editors) style. Here are some links to try.

[Sciences: Documenting Sources](#) (includes manuscript format and sample pages; excellent introduction)
